Dear fld_FIRST_NAME:

On behalf of the Committee on Admissions, it is my pleasure to offer you admission to the University of Wisconsin-Madison in the GROUP_DESCR. Our holistic admissions process is designed to seek out talented individuals like you; students who demonstrate a commitment to academic excellence while contributing to their schools and communities.

You are an ideal candidate to carry out the Wisconsin Idea, the guiding principle that the university should improve people's lives beyond the walls of the classroom. As a student at the University of Wisconsin-Madison, you will be challenged to use what you learn both inside and outside of the classroom to make positive changes in your community and the world.

The Office of Student Financial Aid is excited to offer you both the Director's Scholarship and the School of Education Dean's Excellence Scholarship. These two scholarships will be available to you each year for the next four years to support completing your undergraduate degree at the University of Wisconsin-Madison. You can read more about the School of Education Scholarship at education.wisc.edu/excellence-scholarship.

Your detailed financial aid offer is available online by selecting the Financial Aid tile in your MyUW Student Center.

You can confirm your enrollment by accepting your offer of admission through your Student Center at **my.wisc.edu**. To review your next steps, please refer to the Admitted Student Checklist found at **admissions.wisc.edu/admitted**. This checklist provides you with important information regarding financial aid, campus housing, and orientation for new students. Pay close attention to deadlines and any official documents we will need before you arrive on campus.

Your admission to the university is dependent upon maintaining the academic record and progression indicated when you applied to UW-Madison.

I join our campus community in celebrating your incredible achievements thus far and look forward to welcoming you to the Badger family in CUSTOM_TERM_DESCR.

Congratulations on your admission!

Sincerely,

André E. Phillips
